To Whom It May Concern:

The Revere Wrestling program has been fortunate to receive substantial financial support from Bigdumpster.com during the 2018-19 season. Generous donations from businesses such as Bigdumpster.com have helped to provide our wrestlers with quality equipment, gear and recognition awards, and have helped to offset various program costs such as hotel rooms for tournaments, hydration testing fees, and banquet fees. We are very grateful for the support that Bigdumpster.com has offered to our program!

Respectfully,
